

HUNT 68

OCEAN SERIES

The Hunt 68 is intended for owners who prefer to be in charge of their own yachts, to leave homeports astern, and to cover offshore and coastal miles with speed, comfort and efficiency. With the latest iteration of the Hunt Deep-V, her ride is smooth, level and dry whether seas are calm or rough. As with any Hunt, the 68 offers many opportunities for customization from propulsion to arrangement plan to interior/exterior colors and accessories.
